The Mayor's Corner

I hope everyone has enjoyed a wonderful summer vacation! The Parks and Recreation Programs this summer were filled to capacity, and in some cases doubled in size. The Mayor's Concert Series was very popular and well attended. The Senior Center Volunteers provided a snack/bake sale at the concerts to raise funds for equipment at the new Senior Center. In this edition you will find new program offerings are available from the Parks Department for after school and a variety of other activities. Take a look and sign up soon, the programs are popular and fill quickly, don't delay.

Our cover story this quarter is an update on the purchase of 135 Bolton Road for our NEW Senior Center. Over the last few months a committee, made up of seniors, departments assigned to work on the new center, an architectural firm, town council members and at large members worked to review all of the suggestions made relative to the Center design. The committee visited other surrounding senior centers and consulted with the directors of each to get their guidance on how to proceed from both a design and program perspective. It is important to note that while the new Center may be larger, it also must provide space for every activity we presently have and allow for growth in the future. With this goal in mind, we are projecting that most areas of the Center will be multi-purpose to allow for maximum flexibility. Our very talented Public Works Department is working hard to get the new Center finished by the holidays! It's a very exciting project. Thank you to Michael Purcaro our Emergency Management Director and Robert Kleinhans, Director of DPW for their aerial photography for our cover.

We apologize for any inconvenience our road projects have presented. We are nearly complete for the 2017 paving season. In spring 2018 the DPW crews will return to work again to repair and rehabilitate

the next list of roads. Please read the Department of Public Works report and watch our website for updates as they occur.

As an update, the Amerbelle Project, last edition's cover feature, has reached completion. We have a potential developer under agreement to investigate the site for potential redevelopment.

Across the street at 19 Grove Street, we are nearing the end of court proceedings to acquire this parcel. The plan is to turn this property into a Town of Vernon park for all to enjoy. Take a ride by the area, see what a difference the changes have made to the neighborhood.

Relative to the State budget crisis, we all have our fingers crossed that the State will vote on a new budget soon so that we can move forward with our responsibilities here at home. I would like to thank all of you for your patience while we work our way through this very difficult time.

Finally, I wish all our Vernon students a safe and successful school year! Please study hard and listen to your parents and teachers as we head into the new school year.

Cover Story

This edition's cover photograph is courtesy of Michael Purcaro, Emergency Management Director and Robert Kleinhans, Director of Public Works.

Recently the Town of Vernon purchased the property known as 135 Bolton Road, (formerly Wolff-Zackin) to house our much need NEW Senior Center. Mayor Champagne and members of the Senior Center Advisory Committee worked to find the perfect location that would accommodate the many senior citizens who call Vernon home. Earlier this year the purchase was made and the plans to renovate the property into the NEW Senior Center began.

The Advisory and Design Committee worked to visit area senior centers and discuss with their directors space needs issues and

programming presently provided by their existing centers. The Committee continued their research by speaking to stakeholders and distributing surveys for individuals to contribute to the discussion. In the end, a design was drawn up to include multiple, multi-purpose rooms for activities and programs, a library and quiet space for reading and visiting, administrative offices, a full service kitchen (to house a snack bar, and to be used as a catering facility), and a room for members to play pool. The goal is to have the design accommodate the needs of all our seniors now and into the future.

Work has begun inside and outside the facility and the hope is that the Town will open its NEW Senior Center sometime in late fall. We'll keep you posted!

From the Town Clerk - History of the Vernon/Rockville Post Offices

By Bernice K. Dixon, Town Clerk, with information from "Cascades in Courage."

The post office at Vernon was established as Vernon Depot on July 29, 1853. Its name was changed to Vernon on September 28, 1885. The post office at Vernon Center was established about March 24, 1812. The first post office building was erected on the site of the old County Home. This post office was discontinued on March 15, 1910. There was not a post office in Rockville until 1842.

Mail service was meager for a number of years, one mail only coming to Rockville

and one going out each day. It was carried to Vernon Depot on the 9:30 am stage coach and brought to Rockville on the 3:30 pm stage. All the Rockville, Vernon Center, Tolland and Ellington mail did not even fill a mail bag. The stage driver waited while the mail was sorted. The beginnings of the Rockville Post office were in various stores or businesses on, or near, Park Place. A local newspaper dated May 17, 1872 indicated that there were 712 delivery boxes in Rockville, letters received were about 750 and letters sent about 725. A new Rockville post office was opened on May 31, 1918. It was located at the corner of Park

and School Streets and was constructed of Indiana limestone and tapestry brick with granite steps and limestone posts. That building was in use until a newer building was built at 141 Union Street around 1975. That building is still in use today.

For a time, there were two small branch post offices; one located on Hartford Turnpike and one located in Talcottville at 54 Hartford Turnpike. Currently, only the Talcottville branch services the Town of Vernon along with the main office in Rockville.

Town of Vernon Assessor Notice 2017-18 (Grand List Year 2017)

Board of Assessment Appeal hearings for Motor Vehicles are on Tuesday September 5th, Wednesday 6th & Thursday September 7th & Wednesday from 4:00 -7:00 pm, for the sole purpose of hearing appeals related to the assessments of motor vehicles on

the Grand List of October 1, 2016. Anyone wishing to appeal their motor vehicle assessment may make application in the assessor's office. Blank applications are also located on the Vernon Town Website under the Assessor's Department. Hearings are on a First come, first served basis. (State Statute #12-110)

Town Hall Annex Building @ 8 Park Place, Vernon, Connecticut (Next to Town Hall). Anyone who appeals the assessment based on condition or high mileage must bring their vehicle to the hearing for an inspection. All documents considered. (860) 870-3625.

SOLAR ENERGY EXEMPTION

Applications for solar energy exemptions are available in the assessor's office. The value ADDED by the installation of passive or active solar systems will be the amount of the assessment exemption.

VETERANS

Any new veterans moving into Vernon need to have their discharge on file with the Town Clerk. The original form DD214 has to be filed with the Town Clerk before October 1, 2017 in order to receive benefits. If a veteran had lived in Vernon and moved away, and has now returned, they need to notify the Assessor's Office in order to activate their veteran exemption. Any claimant, still serving and unable to appear in person may forward to the Assessor annually a written statement, signed by the commanding officer of their unit or by the presentation of a notarized statement of a parent, guardian, spouse or legal representative of the claimant. The time served has to have been during wartime. Any veteran who is income limited that has not reapplied since last year should also contact the Assessor's Office. Forms can be obtained at the

NEW: Members of the National Guard who performed homeland security duties under Title 32 for 90 days or more on or after August 2, 1990 may be entitled to an exemption. The exemption is for 10/1/2008 going forward. Also, any National Guard member performing homeland security duty on October 1, 2008 or subsequent assessment date should call our office immediately. Please call for details.

Personal Property Declarations must be filled out, according to law, **between October 1st and November 1, 2017**. Those engaged in any type of business in the Town of Vernon failing to submit their declaration will receive a 25% penalty of the total assessment due and payable in July 2018. You can access our link below and file your Personal Property Declaration electronically. You do not have to submit a hard copy of the signature page to the Assessor when filing electronically; however, the deadline remains no later than November 1, 2017.

Electronic signatures are now acceptable. This should save the taxpayer or their agent time and means you can save your information electronically for future reference. We will be mailing out the hardcopy declaration along with your unique password to access our web-file. There will be instructions attached. <http://www.vernon-ct.gov/departments>.

Personal Property consists of: unregistered motor vehicles, campers, trailers, truck campers: snowmobiles, all terrain

vehicles, junk autos, farm equipment, horses, commercial furniture, fixtures and equipment, farming and mechanic tools, cables, conduits, gas pipes, electric and water companies.

Personal Property forms are mailed out to all those persons who declared personal property last year. **All new businesses** should appear before the Assessor the first time they declare such property to avoid any misunderstandings going forward. That is the opportunity to ask questions what should be declared and how to file the declaration. If personal property has been disposed of during the assessment year, please return the form stating the disposition of same.

All real property and registered motor vehicles are declared by the Assessor.

The blind should furnish proof of their disability and must file such proof with the Assessor by October 1, 2017.

All persons filing for land reductions under PA-490 Farm, Forest and Open Space for the first time, must submit an application to the Assessor between September 1st and November 1, 2017. (Revaluation Year) Recent changes in the law regarding New Forestland. Applications require the applicant to contact the Assessor. Open Space Applications must be approved by the Planning and Zoning Commission prior to filing with the Assessor.

New Change in the Law regarding disabled persons: You only have to file your Disability Rating with the assessor once unless the percentage changes. Totally disabled persons who are receiving permanent total disability under the Social Security program are entitled to an exemption of \$1,000 from their property assessment they own. You must submit an affidavit from Social Security to be eligible. The filing deadline for new applicants is October 1, 2017.

Respectfully submitted,
David A. Wheeler CCMA II
Town Assessor

Disaster Preparedness Planning for Your Pets

Lyn T. Garson, CVT, CCRP, SAMT

Who can forget the 2011 Halloween Nor'easter grabbing us all completely by surprise? Widespread power outages and property damage caused many communities to remain without electricity for nearly two weeks, forcing residents - and their pets—to seek out public shelters. Many people were not prepared. Here is how to plan for emergencies in advance to ensure your pets' safety in any situation.

Animal Evacuation Supply Kit

In the event of an evacuation, always bring your pets with you - never leave them alone inside the home or tethered outdoors. If conditions are hazardous for people, then likewise it is not safe for animals. During an emergency there may not be sufficient time to assemble everything your pet needs, so plan ahead by purchasing a sturdy closed-top plastic tote and store the following provisions to take with you:

- Food (at least a 3-day supply) packed in waterproof containers
- Manual can opener for moist food
- Bottled water (at least a 3-day supply)
- Lightweight portable food and water bowls
- Prescribed daily medications, vitamins, nutritional supplements, flea and tick preventatives
- Medical records and vaccine certificates - make copies to keep in a plastic ziplock type bag
- Print out and laminate recent photos of you and your pet together to establish identity and ownership should you become separated from each other
- Contact information list of animal control agencies, veterinary hospitals, boarding facilities, and pet-friendly lodging in surrounding areas where you live or frequently travel with your pet. Also include this number for the National Animal Poison Control Center: 888-426-4435
- Extra collar or harness with identification tags, leash (non-retractable)
- Microchip identification tag - check online database for accuracy of contact information
- Favorite toys and treats to help reduce stress
- Sanitation supplies - disinfectant wipes, paper towels, wash cloths, pet waste disposal bags, absorbent puppy pads, cat litter/scoop/litter box, trash bags
- Towels and blankets for portable bedding
- Crate/pet carriers—sturdy plastic or metal only (cardboard carriers fall apart when wet). Carriers should be large enough for your pet to stand, turn and lie down comfortably.
- Label carriers with your name, phone number, and your pet's name.

Animal First Aid Kit

While not a substitute for professional veterinary care, a basic first aid kit for animals is essential. Sign up for a first aid

course, or read and learn first aid procedures in advance so you can help save the life of your own pet, or someone else's, during an emergency. Keep one kit at home and pack another in your car while traveling. Some items a basic first aid kit should contain:

- Nonstick gauze pads in several sizes - do not use human adhesive "band-aids" on pets
- Rolled gauze in several sizes
- White bandage tape 1" wide
- Flexible pet bandage wrap 3" wide
- Bandage scissors
- Wound cleansing solution
- Alcohol pads
- Cotton-tipped applicators
- Latex-free gloves
- Liquid dish detergent, towel and washcloth
- Tweezers
- Sterile saline solution bottle
- Hydrogen peroxide - new unopened bottle (only administer to pet by veterinary consult)
- Karo® syrup - new unopened bottle (use for diabetic pets and only by veterinary consult)
- Nail clippers and styptic powder
- Foil blanket
- Instant warm/cold compress - cover with fleece or cloth to prevent burns or skin irritation
- Digital rectal thermometer and lubricant

- Contact information list (same as in evacuation kit)
- First-aid guidebook

Animal Rescue Kit

Be ready for the unexpected when away from home. Prepare two animal rescue kits, one for home in case a neighbor needs to rescue your pet if you are not able to return home yourself, and keep another travel rescue kit in your car. Rescue kits should contain the following:

- Pillowcases for quick capture and/or temporary transport device
- Towels and blankets can be used for covering animals to calm or distract them, or for wrapping an injured or scared animal
- Leash and/or loop rope to act as a lasso for quick capture
- Heavy leather work gloves for hand protection, and a muzzle for your pet to prevent biting. When stressed or panicked, animals may even bite people they know and trust otherwise
- Portable transport carriers
- Special treats to coax animals into carrier or vehicle
- Contact information list (same as in evacuation kit)

Being prepared provides your pet the best chance of staying safe. Keep in mind your pet may require unexpected assistance even during everyday situations. Pets depend on you - always be ready to help.

Northern Connecticut Land Trust

The Many Faces Of Talcott Ravine

The ravine as carved by the river.
Photo by Jon Roe

Tankerhoosen Pond in Autumn.
Photo by Jon Roe

The Northern Connecticut Land Trust (NCLT) owns and maintains seven Vernon properties totaling 100 acres.

Perhaps the most interesting is the 20-acre Talcott Ravine at the western end of the Tankerhoosen River donated in 2010 by John Talcott Jr. Here nature, history and recreation meet - a place to remember Vernon's industrial past while the river and pines help you unwind.

The river enters the preserve over the Dobsonville Pond dam, then cuts through the ravine it carved out eons ago, before taking a leisurely journey through tall pines on its way to join the Hockanum River. Far above the river on the south bank is the Hop River Rail-Trail.

The peaceful aura of the ravine today is a far cry from what you would have found 100 to 150 years ago when Peter Dobson's two cotton mills competed with Rockville as the industrial center of Vernon. Remnants of both factories remain showing the location of water wheels, turbines, factory walls and canals. With imagination you might picture

the busy and noisy life of the time as you walk through today's quiet pines on the path once traveled by wagon and horse connecting the Dobson and Talcottville mills.

Today the river is a favorite of fishermen. At the Talcottville end of the preserve is Talcottville Pond, the only one of the three lower lakes with no cottages or buildings. Here wildlife flourishes throughout the year. You might find geese, ducks, turtles, blue heron, song birds and even an occasional beaver. Perhaps those sitting quietly with pole in hand are here more for the tranquility than the fish.

Talcott Ravine is open to the public with access from both ends. Energy Assistance: Our office will start taking appointments on September 5 for the upcoming Energy Season. Please call 860-870-3661 ext. 0 to make your appointment.

Choices Program: Are you on Medicare? If so open enrollment is fast upon us! This year open enrollment is from October 15 to December 7. Our office has 3 Choices counselors ready to help you navigate the Medicare maze! We evaluate your individual circumstances along with medication lists and provide you with the best options for you to help you make an informed choice in your health care. Please call 860-870-3661 ext. 0 to make a Choices appointment.

Renters Rebate: FINAL DATE TO APPLY IS OCTOBER 1. This program is for disabled and senior renters. Call today! 860-870-3661 ext. 0.

Holiday Sponsors: We are looking for sponsors for our Holiday Toy Program for children. Each year we strive to provide a special holiday for 100 Vernon children. This year the children will be providing us with their Holiday List and our goal is provide them with one or two gifts (minimum) from their list. We will supplement these gifts from our "shop." We sincerely appreciate the generosity of our residents who go above and beyond every year. If you are able to help with this program by sponsoring or donating financially (we will do the shopping for you!), please call 860-870-3661 ext. 0.

Back to School Clothing Drive: We would like to thank everyone who helped us make our Back to School clothing drive such a HUGE success for the kids of Vernon. Fifty-two children received clothing. Whether you sponsored a child, a family of children, or made a monetary donation you made a difference in the life of a child. We couldn't do this program without all of you!

Let it Snow: Winter is approaching. Last winter was great for most, but very difficult for our seniors and disabled. Many reached out to the town looking for assistance shoveling their driveways, sidewalks, and walkways. Please reach out to elderly and disabled neighbors when the snow starts coming down if you are able, to help them clear snow.

*VOLUNTEER COACHES NEEDED

The Boys and Girls Recreation Basketball Leagues cannot begin until we have volunteer coaches for all the teams in that league. Extensive basketball knowledge/playing experience is not required. We look for coaches who will provide a safe, fun and educational experience while setting nothing less than the best example for players. All coaches must submit to a background check and attend the pre-season coaches meeting.

TRAVEL BASKETBALL

To the parents of all **BOYS & GIRLS** in Grades 5 through 8, if your son or daughter is interested in playing travel basketball they should have registered by September 15th. This will be the deadline. All players registered will go through 3 try out dates in early October.

Our goal is to contact as many boys and girls to inform them of all the information. This is an excellent

opportunity to have your son/daughter learn the fundamentals of the game and play against some tough competition and have some fun. This program is a feeder program to the Middle School and High School teams.

PARENTS CAN REGISTER ONLINE THROUGH THE VERNON PARKS AND RECREATION DEPARTMENT. A \$50 FEE MUST ACCOMPANY EACH REGISTRATION

Here are some important facts to know:

- The **BOYS** will have a 5th, 6th, 7th and 8th grade teams. Registration will dictate the number of teams.
- The **GIRLS** will have a 5th and 6th grade combined team and a

7th and 8th grade combined team. Again, this is dependent on registration.

- Season starts around the first week of December and goes until March.
- The schedule consists of approximately 20 games including playoffs.
- Some of the opponents are Bolton, Coventry, East Windsor, Ellington, Somers, etc.
- Most games are played on weekends.
- There will be one or two practices during the week.
- The cost per player TBD, due upon making the team.
- **EACH TEAM WILL NEED TO FUNDRAISE TO OFFSET THE COST OF THE PROGRAM.** There will be a number of options... Coaches will explain the day of the parent's meeting and brainstorm.

YOUTH WRESTLING

Learn the sport of wrestling. It teaches self-discipline, self-confidence and fortitude. It also helps to develop strength of character in young people. This is an eight week co-ed program held one night a week at the Rockville High School Wrestling Room. Class is tentatively scheduled to begin the first week of January. Participants receive a t-shirt.

SPONSORSHIPS

Do you see a program or event that coincides with your organization's mission? We have sponsorship opportunities for almost every program, event and field. Your organization can be front and center on shirts, fliers, field billboard and even on our webpage! Please contact us at 860-870-3520 to find out how you can increase your organization's awareness.

RECREATION BASKETBALL

In order to keep our programs affordable, the Vernon Parks and Recreation Department is actively recruiting business to sponsor youth basketball teams. Currently there are five recreational leagues with approximately 20 teams. The cost of sponsoring a recreational basketball team is \$150, which includes your business's name on the back of each team shirt, a plaque to display at your business and exposure to approximately 400 different children and adults. Please contact the Vernon Parks and Recreation Department to 860-870-3520.

FIELD SIGNS

Any business interested in having a 4x8 sign displayed, year round at the Henry Park softball field are asked to contact the P&R office regarding details. Henry Park has over 200,000 participants that use the Park. There are numerous special events that take place in the Park. There isn't a more visible place in Vernon! Take advantage of this opportunity!

DISC GOLF SIGN SPONSORS

The opportunity to sponsor a sign on the brand new Vernon Ecker Disc Golf Course, located on the Ecker Hill property is available. To sponsor a tee sign which is 6x18 would cost \$200 for two years. Your business will be on the tee sign along with a visual design of the hole and the number of the hole. There are only a few tee signs left, so if you're interested, please contact Steve Krajewski at the P&R office at 860-870-3520.

Introducing Rockville High School Principal Michelle Zawawi

As of July 17, 2017, Michelle Zawawi is the Principal of Rockville High School. Michelle was formerly the Assistant Principal of Windsor Locks High School in Windsor Locks, CT for four years. Prior to holding the assistant principal position, she was a math curriculum leader for grades 6-12 in East Granby, CT and was a teacher in East Granby, CT, Westfield, MA, Springfield, MA, and served on the Board of Education in Suffield.

Bryan resides in South Windsor, CT, with his wife Nikki, and children Taelyn, Liston, Garren, and Ali.

Discovery Program - Vernon Public Schools

This summer almost 100 students from Vernon participated in a wide variety of enrichment programs at Center Road School through the "Discovery Program." Students ranging from grades Kindergarten – Grade 5 had the opportunity to sign-up for week long programs throughout

the month of July. Some of the programs included Creative Cooking, Dinosaur Discovery, Reader's Theatre, Math Olympics, Creative Writing, Egyptian Exploration, Forensic Science, and Fun in STEM (Science, Technology, Engineering, and Mathematics).

During the Reader's Theatre classes, students in Grades K-3 wrote their own plays, created their own props, and performed for their parents and guardians on the last day of the session. Students were so proud to show off all their hard work and preparation to their families and friends.

Another highlight came when students in the Baton Twirling and Ribbon Dance

class performed an entire dance routine for families on the last day of class.

The Discovery Program has been running during the month of July for the past 5 years. Look for registration information for next summer's exciting programs coming out in early spring 2018.

Leaf Collection Information

When will the leaf bins open?

Leaf bins will open mid-October for the convenience of residents. Contamination caused by disposal of brush, bags, grass clippings or any other debris will result in these leaf bins being shut down.

- Nye Street - At the firehouse off West Street. Bin will be marked.
- Church Street - In the bike trail parking area. Bin will be marked.
- Legion Field - Off Regan Road at rear of parking lot. Bin will be marked.

When will collection begin?

The Town of Vernon leaf program will begin Monday, November 6, 2017. Leaves should be raked to the curb by this date to ensure collection. Do not be alarmed if you see DPW crews out the week before this date. They are testing the vacuum equipment and training our temporary leaf laborers.

When will my street's leaves be collected?

All streets in the Town of Vernon have been divided into 3 groups. Group A Streets will be collected first and completed before leaf crews move on to Group B Streets and so on. This program is dependent on weather. Under good conditions, we expect to complete a group of streets in 1-2 weeks. Rain, snow or freezing temperatures will delay the program.

Do not rake leaves into the street or onto the sidewalk. This is a safety and flooding hazard as well as a violation of Ordinance No. 235, Sec. 7-20 and is punishable by a fine of \$100.

How many passes will there be this year?

All streets are guaranteed at least one pass. If time permits, there will be a second pass. Residents are at their own risk whether to wait for a second pass or to bag their leaves for pickup on either of the first two Fridays in December.

Other options?

Residents may either transport their leaves to a designated leaf bin or bag them for pickup by DPW crews. Leaves may be bagged using either the biodegradable paper bags OR plastic lawn & leaf bags.

When will bagged leaves be collected?

Bagged leaves will be collected the first two Fridays in December. Bag pickup is not automatic - please call the Public Works Office at 860-870-3500 to schedule. Leaves cannot be put out for collection with regular trash.

Please be aware of some delays that are beyond our control - leaf fall timeframe, weather conditions, holidays. "Mother Nature" plays a big role in our leaf program!

Update on the Road Bond

The Department of Public Works has once again been busy performing pavement maintenance on our Town roads. Funded through the 2014 Road Bond Project, our activities seek to renew roads that have exceeded their useful life and preserve satisfactory roads to extend their serviceable life. The techniques used this year have included full depth reclamation and surface milling/paving.

In all, over thirteen (13) miles of town roads were completed this year bringing our total since the start of the program to over sixty five (65) miles reconstructed or resurfaced. This represents almost sixty percent of all Town owned roads.

This winter, DPW staff will review the two years of work remaining. They will work with our utility companies to accommodate upgrades to service and develop next year's work list. They will also assess streets that are not listed on the bond and may seek to add them to the program if conditions warrant their inclusion.

The program has consistently achieved savings which has allowed the Town Council to add roads on a yearly basis which had not originally been included in the program but have been identified as needing repairs.

Robert J. Kleinhans, Director

RECYCLING TIP CARDBOARD

Over 85% of all products that are sold in the United States | are packed in cardboard. That's a LOT of cardboard!

The Vernon Public Works Department requests that any cardboard which is thicker in nature be first flattened out and unfolded before placing in the recycling cart. If possible, cardboard may be cut into smaller pieces as well to avoid smaller recyclables being jammed in the bottom of the cart.

Flattened cardboard will take up less space leaving more room for other recyclables.

Robert J. Kleinhans, Director

Water Pollution Control Authority

In any given day ~3 million gallons of sewage flows to the Town of Vernon Water Pollution Control Facility (WPCF) for treatment. Evolving from its historical roots in the era of mills and sand tricking beds of the 1800s, sewage treatment has become more complex, sophisticated, and regulated. Vernon's treatment facility is old. While the expected life span for a modern treatment plant is twenty years, Vernon's plant is a mix of components

ranging from 25-40 years old. Age isn't the only story. The State of Connecticut mandated the Vernon plant meet new environmental standards by 2021 - including 94% reductions in phosphorus and 54% reductions in nitrogen discharges. What does this mean? It's time for an upgrade.

The upgrade process isn't without challenges, costs, and opportunities. Meeting some of the most stringent standards statewide is only part of the story. Town compliance with a statutory July 2019 deadline for beginning construction secures eligibility for 50% and 30% relative grants for phosphorous and nitrogen improvements, and an estimated overall project reimbursement of 28%. As a regional facility, other contributing towns will fund nearly 30% of remaining costs. Failure to complete improvements by 2021

will result in significant, daily fines. Upgrades also provide immediate operational and budgetary improvements; improving the environment and extending the life of the plant for at least twenty years. Immediately there will be energy and operational savings, as well as ~\$110,000 annual savings associated with present nitrogen fees - fees projected to escalate and cost Vernon more than \$5 million dollars by 2040. To date, Vernon has completed the facility plan study of the WPCF (funded by a State 55% grant, and contributing Towns), and recently began the 18 month engineering process to meet the rapidly approaching 2019 deadlines. So the next time you go, know we have your flow.

The Vernon Chorale: Choosing Our New Conducting Fellow

New Conducting Fellow Liz Bologna.
Photo by Steve Laurie

What distinguishes Vernon's own chorale from other area community choirs and groups? The Vernon Chorale commits to fostering young talent through its Fellowship Programs. Over the past decade the Chorale's Conducting Fellowship evolved from word-of-mouth recommendations for an assistant conductor to the excellent teaching tool it is today. The program aims to sharpen skills of aspiring conductors both in concert preparation and performance in a practical setting. Throughout the season, the Fellow is guided by the Artistic Director and plans and conducts the Chorale's June concert.

Because of the program's rise in popularity, the pool of local candidates has widened, the number of applicants increased, and a formal application process put into place. Another key factor is a conductor willing to share the podium in order to cultivate the next generation of local talent, and a group of choral singers willing to support the Fellow's growth. The Vernon Chorale is proud of retaining both. Ehren Brown, current Artistic Director, honed his skills under the program.

The Chorale is excited to welcome Vernon resident and 2005 Rockville High School graduate, Liz Bologna, as their 2017-2018 Conducting Fellow. Growing up, Bologna watched her parents sing with the Chorale and is no stranger to the group. In 2006-2009 she was a Choral Fellow, another Fellowship for young aspiring singers, and continued singing with the group through 2011. When asked what excites her most about her role as Conducting Fellow she replied, "I'm humbled to be a part of the Vernon Chorale's legacy of bringing great choral music to the community." Both Brown and Bologna exemplify the Fellowship's unique ability to give back to the community by contributing to future conductors, thereby furthering both performance and appreciation of choral music in the Vernon area.

The Chorale's Winter concert is Saturday, December 9, 7:30 pm at St. Bernard Church in Rockville. Visit VernonChorale.org for upcoming performances. Member Vernon Volunteers' Collaborative.

Vernon Youth Services Bureau

YSB SUMMER 2017 HIGHLIGHTS

It was a very eventful and fun summer at the Vernon Youth Services Bureau! The YSB Summer program and summer nutrition program were in full swing. Below are some summer highlights featuring the YSB Summer fun Club!

The YSB Summer Fun Club led by YSB Youth Counselor Ozzie Ramos, was a special place for 30 elementary school aged children this summer. Each day children enjoyed a nutritious lunch in the Park and spent the afternoon engaged in a variety of activities, including, field trips, swimming, playing games, arts and crafts, visits from guest speakers, reading, writing, and more!

The YSB Summer program also benefitted from two teen volunteers in our Community who built positive relationships with the children and served as excellent role models.

Program highlights include a special visit from Mayor Champagne who was a special guest speaker, an afternoon of bowling and ice cream, a trip to Nomads, picking out and reading books from the Vernon Book Mobile, swimming at Henry park pool, and a trip to Quassy Amusement park. Here is a peek!

SUMMER LUNCH PROGRAM

This past summer YSB ran the Sumer Food Service program, which provided free lunches to any youth 18 years and younger at three open lunch sites. Nutritious lunches were served at Talcott Park, Park West, and Henry Park from 11:45 am-12:30 pm Monday – Friday, where we served an average of 130-150 lunches each day. The program was offered from June 19- August 25.

In addition to lunch, each site has a program space, play area, or pool where children enjoyed time interacting and playing with friends. The Summer Book Mobile regularly visited each site to provide books and encourage summer reading. Providing nutritious meals and keeping children engaged over the summer supports children's learning and positive development.

The Summer Food Service program is a federally funded program and our partners are: State Department of Education, Vernon Parks and Recreation, Park West Apartments and Vernon Public Schools.

The YSB is grateful to the town of Vernon and the community for its continuous support for our programs!

Town of Vernon Fire Department

Part 3 of a 3 Part Series on the history of the Town of Vernon Fire Department.

Two Fire Departments in Vernon?

(Excerpts from an original article written by Richard Bowman) Prior to 1979 Vernon

had two fire departments: The Vernon Fire District and The Rockville Fire Department. The Vernon Fire District was formed in the 1940s to meet the needs of rural Vernon. The Rockville Fire Department was formed in the 1800s to meet the needs of the more industrialized Rockville section of Vernon. Each department had its

own Chief, Officers, geographical boundaries, and methods of operation.

Even though the general government (Town Council, Board of Education, Police Department, Public Works, etc.) was consolidated in 1964 the fire departments were not. In the early 1970s firefighters, government leaders, and the community began to talk about the need for one fire department. One person said at the time "That's like asking the Red Sox and the Yankees to form one team! You'll never do that."

A by-laws committee was formed consisting of firefighters from both departments. It was clear that in order to serve the needs of the town a pooling of resources, and the volunteers, needed to happen. Long hours of difficult negotiations took place. Years of tradition had to be respected. The name of the new department had to show no favoritism toward either department. After many months of meetings and soul searching a new fire department was born! The Town of Vernon Fire Department became

a reality. Out of the two old departments came one Fire Chief, a fire marshal and a single department made up of all volunteers.

In the 38 years since 1979 the needs of Vernon have changed and the new department has grown with it. It is an excellent and modern emergency service. But the one thing that has not changed since 1855 is the dedication and commitment of the volunteers. The memory of one town with two fire departments is now just a fond memory.

Water Pollution Control

Two Rockville High School students, Trevor Jones and Adam Fraiko, recently donated a steel American flag they constructed for a school project to the Vernon Police Department.

Trevor and Adam, both students from Caitlin Hoffman's sophomore English class at the time, were assigned to create something for an organization to show their appreciation. Trevor and Alex chose to create an American flag for the Vernon Police Department in recognition for "all the work they do to keep us safe in this town."

Trevor and Adam obtained flat steel scrap metal from John's Scrap Metal in Columbia. Using an angle grinder and mig welder, they built a frame for the flag. They proceeded to use a plasma cutter to cut out 13 individual strips and custom bent each one to create the illusion of the flag blowing in the wind.

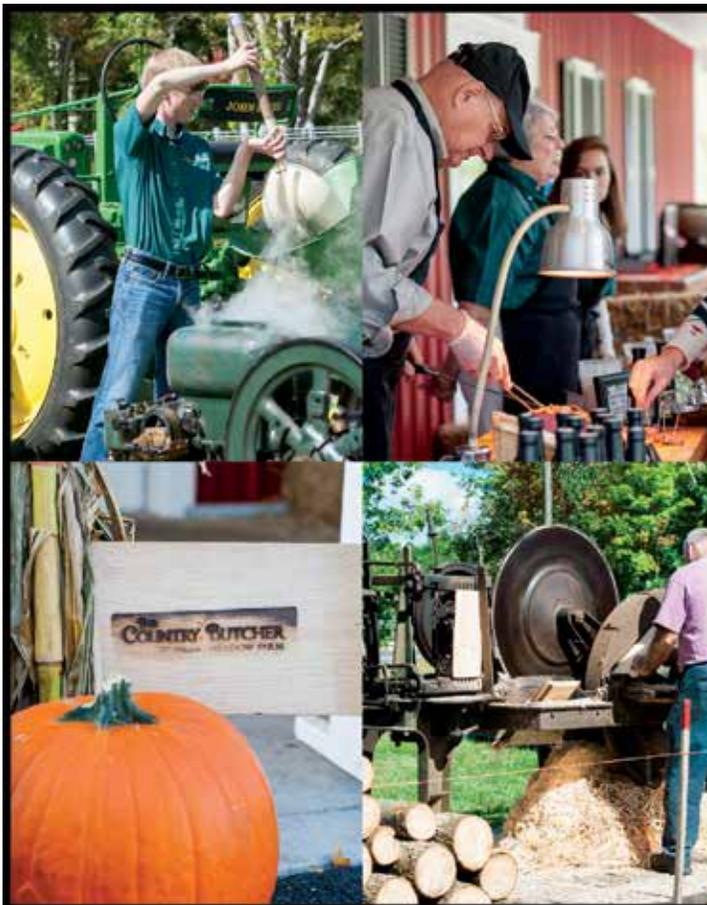

After welding the strips to the frame and smoothing it out with a grinder, Trevor and Alex sawed off the brass ends of 50 empty shotgun shell casings and glued them to the square portion of the flag to represent the stars. After 20 hours of construction and multiple layers of paint, the students' final project weighed over 30 pounds.

On July 5th, in the presence of nearly every officer, Jones and his parents presented their flag to the Vernon Police Department.

Their accomplishment was well received, and the officers were impressed with the detail, effort, and consideration the students put into their project.

The flag will be displayed in the lobby of the Vernon Police Department and accompanied by a plaque with the students' names. Hoffman stated they received an A for their project.

Wreaths Across America

On Saturday December, 16th, 2017 members of the community will gather together to honor veterans during the holiday season as part of the annual Wreaths Across America Day.

The Vernon Cemetery Commission will conduct the ceremony this year at Lugg Field, the Veterans Section at Grove Hill Cemetery on Saturday December 16th starting at 12:00 noon. Seven ceremonial wreaths will be placed to remember all soldiers, sailors, airmen, and marines who served, honor their sacrifices, and teach our younger generations about the high cost of our freedoms.

Specially designated wreaths for the Army, Marines, Navy, Air Force, Coast Guard, Merchant Marine, and POW/MIA will be placed during the ceremony that will be coordinated simultaneously at over 1,000 participating locations all across the Country.

Sponsorship of individual wreaths is not accepted at this site. The cemetery is located off of Grove Street in the Rockville section of town.

It is projected that around a million wreaths will be placed nationwide, by over 600,000 volunteers as part of the Wreaths Across America mission to Remember, Honor, and Teach.

Wreaths across America TM is a national nonprofit organization founded in 2007 to continue and expand the annual wreath-laying ceremony at Arlington National Cemetery begun by Maine businessman, Morrill Worcester, in 1992. One interesting fact is that Mr. Worcester attended Rockville High School for a brief period in his youth.

Vernon Garden Club Scholarship Winner

Nathan Schlipfack of Vernon was awarded the Vernon Garden Club Scholarship on June 19, 2017 at the annual picnic held at the First Congregational Church of Vernon. Pictured with Nathan on the left is Vernon Garden Club Scholarship Chairman, Kay Varga and on the right, Betty Wardrop, President. Nathan will be going to UConn's Avery Point Campus in the fall majoring in Marine Biology. Nathan just started his summer job working as a counselor for children attending Valley Falls.

Vernon Garden Club of Vernon members host an annual spring plant sale in May with proceeds from the sale being used to fund the club's scholarship award, as well as sponsoring the Junior Gardener's Program and maintaining the club's two community gardens.

Gardeners, new and seasoned, are invited to join the club this fall, enjoy new friendships, educational opportunities, gardening in the community, and fun trips. The club meets the 3rd Monday of each month. Our first fall meeting will be September 18, 2017 at 7:00 pm at First Congregational Church of Vernon. Items from members (gifts from the garden) will be auctioned off and then refreshments are served. Guests and potential new members are welcome to stay through the entire meeting. See you there!

The "At-Risk Boys Fund"

Through the Community Foundation, the At-Risk Boys Fund has provided grants that have helped sixth-grade boys find their self-worth and success in school. The fund helped teenage boys and police build positive interaction instead of skills

confrontation. The fund has even provided temporary shelter for boys and their families. These are just some examples of how the At-Risk Boys Fund and the people who support it have improved the lives of boys and young men throughout Middlesex County.

You too can help at-risk boys when you attend the At-Risk Boys Fund's biggest fundraising event of the year – the third annual Cruise Blues & Brews Festival on Saturday, September 30th from 10 am to 4 pm at the Chester Fair Grounds.

You and your family will enjoy a great fall festival and you will be helping the At-Risk Boys Fund do its incredible work assisting boys and young men to achieve a better life.

How many boys we can help is up to you.

By Bill Guerra, Volunteer Chair
At-Risk Boys Fundraising Committee

Festival Details:
3rd Annual Cruise Blues & Brews, Saturday September 30 at the Chester Fair Grounds from 10 am to 4 pm (rain date October 1st). A fun-filled family event featuring antique and unique cars, the area's top blues bands, craft beer, up-scale food trucks, marketplace of vendors, kids play area, games, prizes and surprises. For additional information and to purchase tickets at \$5 (kids under 12 free) go to www.atriskboysfund.org.

All proceeds benefit the At-Risk Boys Fund at the Community Foundation of Middlesex County.

Vernon Education Foundation: School Projects

The end of each school year is a very busy time for the Vernon Education Foundation (VEF). Early in June the VEF distributed new books to each of the 239 first grade students in the Vernon Public Schools. This has been an annual project for the past 14 years where over 3,000 books have been given to students at the completion of first grade. It is hoped that these books will add to or start their own personal library at home.

In addition to the *Book of My Own* project the VEF will award \$4,200 in Mini-Grants to teachers at Lake Street School, Center Road School, Skinner Road School and Rockville High School. The VEF received 17 applications this year for the grant program. Nine grants were awarded and the finalists will be publicly announced at the *Welcome Back Convocation* at the end of August. All grants were awarded for innovative programs that help to strengthen the educational objectives of the schools.

VEF is a state and federally registered, tax-exempt, non-profit (501-c-3) corporation managed by local volunteers. Its mission is to enhance the quality of education in Vernon. Please visit us on Facebook at Facebook.com/VernonEdFoundation. Member Vernon Volunteers' Collaborative.

Fall is the season to enjoy the outdoors and Vernon Volunteers' Collaborative (VVC) organizations have many opportunities to do that; but offer many other choices too.

Vernon Center Walk - Sep. 24 (Sun)

Vernon Historical Society's 'Early Vernon Center: First Congregational Church, Elmwood Cemetery & Meetinghouse Hill' walk takes you through three historic sites. 1 pm. Rain date Sunday, Oct. 8.

Friends of Valley Falls Annual Meeting - Sep. 24 (Sun)

Paul Colburn will present on 'Coyotes' at the Friends Annual Meeting, 1 pm at Valley Falls Farm.

Talcott Ravine History & Geology Walk - Oct. 14 (Sat.)

This popular three-mile Northern CT Land Trust walk begins in

historic Talcottville and includes a loop through Talcott Ravine before returning on the Rail Trail. 1 pm.

Webster Preserve Hike - Oct. 15 (Sun.)

The Northern CT Land Trust leads this hike off Valley Falls Road. Hike through the Trust's Andrew Webster Knapp property above the Rail-Trail, then up to the ridge overlooking Valley Falls Park and Railroad Brook for some beautiful scenery. 9 am at Valley Falls Park.

Farm Harvest Festival - Oct. 21 (Sat.)

The annual Strong Family Farm festival includes children's activities, pumpkin decorating, and the farm's annual scarecrow contest. Apple sales, hay bale maze, animals, vendors, music and a farewell to the farm's summer chickens. 10 am-2 pm.

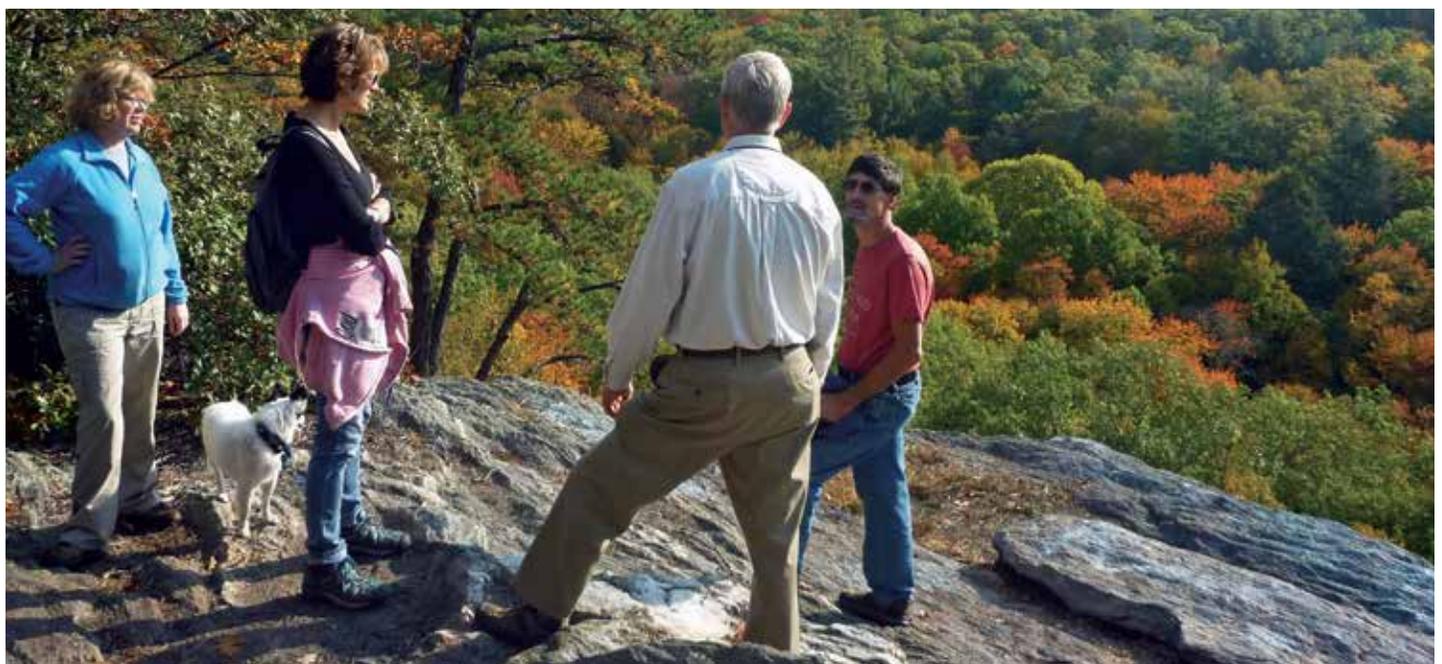

The Vernon Chorale Winter Concert - Dec. 9 (Sat.)

The Vernon Chorale holds its Winter Concert in Rockville at St. Bernard Church, 7:30 pm.

Monthly Arts Center East Events

Each month ACE offers five nights just for fun: Create a drawing on Sketch Night, be an actor on Improv Night, relax and create on Zentangle Night, share your love of reading on Book Night, and release your inner Van Gogh on Paint Night. See ArtsCenterEast.org for detail and dates.
