# First Selectman's Corner

Another school year has started and fall is upon us! There are so many things to do in our small town this season and we hope you take some time to enjoy it and take advantage of our beautiful hiking trails and parks!

There is a lot happening at the Town Office Building and with Public Works as we prepare for the winter (and budget season) ahead. Construction on Turnpike Road is moving along and our goal is to get the remaining drainage projects completed before the first snow storm. The final phase of restoration of the Old Town Hall is also underway and we hope to be able to unveil it at the Tree Lighting on the Green on Friday, December 2nd.

The town bid farewell to Superintendent Harding in early October and also welcomed our Interim Superintendent, Dr. Jacqueline Jacoby. As we begin our search for a new Superintendent, we will be looking for residents willing to help our Board of Education by serving on the various committees involved in the interview process. If you are interested in getting involved, please contact the Board of Education at 487-3130 and please feel free to say hello to Dr. Jacoby.

In addition to the Superintendent search committee, we still have some boards that are in need of members. The Planning and Zoning Commission is looking for a regular member as well as three alternates. This Commission is very active right now with

updating our Plan of Conservation and Development, which is getting underway. Our Economic Development Commission is in need of 2 regular members as well as 2 alternate members and our Conservation Commission is seeking 3 alternate members to serve on the board. Lastly, the Parks & Recreation Commission has a regular vacancy as well. If you are interested in filling any of these vacancies, please contact the Selectman's Office at 860-487-3100.

As winter approaches, the various boards and commissions will also begin their budget preparations. For those interested in following the budget process, be sure to go to our town's website, [www.willingtonct.org](http://www.willingtonct.org), and sign up for agendas and minutes – or better yet, come out to a meeting – we would love to see you there!

The Selectmen's Office is open during regular business hours: Monday from 12:30 pm – 7:30 pm and Tuesday – Friday from 9:00 am – 2:00 pm.

# The Willington Historical Society

## TREE LIGHTING AND OPEN HOUSE

December 2nd at 7:00 pm

Please join the Willington Historical Society and the Willington Selectmen, Friday evening, December 2nd for the lighting of the Community Christmas Tree on the Town Green. Let's join together to start the Holiday Season with a splash of color and a few festive holiday songs. Following the tree lighting, you are invited to gather at the historic Glazier Tavern, at the West end of the green, to enjoy the warmth of the fires in the hearths and light refreshments. Special thanks to the West Family for their annual decorating and lighting of our Community Tree.

### ROOF FUNDRAISING

Just like everything else, roofs wear out too. HELP put a new roof on the Historical Society's 1815 Glazier Tavern (quoted price is \$8,500). Because of this substantial investment, the Society will be soliciting donations to help finance the roof replacement cost.

Consider contributing in any of the following ways:

- one square of shingles that will cover 100 sq. ft. of roof area, for \$450.
- one bundle of shingles that will cover 33 sq. ft. of roof area, for \$150.
- donations of any amount are also appreciated.

Donate online at: [www.willingtonhistoricalsociety.org](http://www.willingtonhistoricalsociety.org) or at WHS P.O. Box 214, Willington, CT 06279.

### WHAT A RELIEF ...

The Society's search for a privy has been answered. A three-hole privy has been donated to the Society. It originates from the 'old' Lillibridge Farm, here in town. Stay tuned to our Facebook page, as it makes the move to the Glazier Tavern.

Thanks for the donation Bruce!

### GOT OUR BACK ... FIREBACK THAT IS

The bricks at the back of the taproom fireplace will have the protection they need, thanks to the donation of a cast iron fireback with an eagle motif. With thanks for the donation made by Katie Pitts.

### DATA INPUT NEEDED

The Society is seeking help with transferring birth records to spreadsheet format. This involves town records from 1889 to 1922. These recently found documents contain information including the baby's name and DOB, parents' birthplace,

## SUMMER CONCERTS AT RIVER ROAD ATHLETIC COMPLEX

Sadly, our Summer Concert Series came to a close and we couldn't have had a greater ending than with the talented singers and performers that we had! I am thrilled that Wednesdays in the Park was so well received and such a positive experience for all.

## I'd like to take this opportunity to express our gratitude to those that helped make this all possible...

Wednesdays in the Park Sponsors: Baywood Kennels, Landon Tire, Tony's Garage, Willington Termite & Pest Control, Knight and Sons Construction, Willington Pizza House, Williams Fuel Oil and Franc Motors.

Hans Hackner & Co. for staining the pavilion and keeping it looking new and beautiful.

Carol Noyes, Paul Plunkett and Bill & Donna Hardie for donating and delivering ice to us every single week, without fail, so that our drinks were ICE-COLD.

Jacob Hall for coordinating the pick-up basketball and volleyball games which was a HUGE hit for the kids.

Willington Fire Department #1 for being on site for every show, keeping us safe and letting the kids climb in and romp around on your trucks.

Willington Public Works for all that you do to keep our park looking beautiful and for helping us out every single time we call you with a new “opportunity.”

Gramma's-on-the-Go, Scott & Kim Gilbert, for cooking us dinner every week when it was just too hot to cook for ourselves!

Our fabulous Snack Shack Girls... Renee Suchy, McKenna Jones, Isa Peczuh, Sophia Mailhos, Ana Peczuh and Sarah Wallet.

And last but not least, Wednesdays in the Park wouldn't have been so successful if it wasn't for all of YOU! Thank you all for supporting the Willington Parks & Recreation Department and the events and programs that we offer.

## Town of Willington Department of Human Services

40 Old Farms Road, Willington, Connecticut 06279  
(860)487-3118 / wyfss@willingtonct.org

Dear Neighbors,

One of the things I love the most about Willington is the perpetual spirit of giving. Here, residents will do anything to lend a helping hand to another in need. That is what the Human Services Department is all about, and what makes our community stronger and more connected.

But we need your help! Our department relies heavily upon donations from generous people like you for our programs. This holiday season, please consider giving a gift to Willington's Department of Human Services! All donations go 100% to our programs that help others, programs such as:

**THE WILLINGTON FOOD PANTRY:** Providing canned and dry goods, eggs, and in-season produce to residents in need. Funds donated to the food pantry are used for restocking food items as needed.

**FUEL BANK:** Providing a one-time gift of 100 gallons of heating fuel to residents in need when no other options are available. Funds donated to the fuel bank are used directly for this purpose.

**WILLINGTON OUTREACH COMMUNITY GARDEN:** Provides produce for local seniors and residents in need. Donations to this fund cover the cost of supplies such as compost, tools, mulch, and soil amendments.

**HOLIDAY PROGRAMS:** Our holiday programs offer families and residents in need with a meal for

Thanksgiving and Christmas.

**CAMPERSHIP:** This program assists lower income families with the costs of sending their children to summer camp or participating in recreational activities.

**BACK TO SCHOOL PROGRAM:** Providing children in grades Kindergarten through 12th grade with backpacks, shoes, and school supplies.

**GENERAL DONATIONS:** These will go to the program most in need!

All donations will be acknowledged by a thank you card and a receipt.

I am grateful for being a part of such a wonderful community that puts people and their needs first. Thank you for all that you do, and for your interest in helping our neighbors in need. Have a happy and safe holiday season!

Sincerely,  
Jennie A. Arpin, M.P.A, Director  
Department of Human Services

# Willington Conservation Commission News

## Forest Management Activity in Fenton-Ruby Park and Wildlife Preserve

Ensuring a healthy forest and wildlife habitat diversity in Fenton-Ruby Park (Park) requires ongoing active forest management. To meet the Park plan goals, the Willington Conservation Commission has been working with Natural Resource Consultants, LLC and forestry professionals to identify and address these needs.

A timber thinning harvest was recommended on 18 acres of aging forest in the southeast corner of the Park and approved by the Willington Conservation Commission, Inland Wetlands and Watercourses Commission and the Board of Selectmen. The timber thinning will be conducted as weather permits between September 24th 2016 and May 15th 2017 to improve growth and mast production from the remaining trees, encourage understory regeneration and establishment of the next forest, and improve cover for wildlife feeding, nesting and brood-rearing.

The harvest area, which does not contain any trails, is located off the far end of Burma Road. Forestry activities, including cutting and trucking, may be conducted Monday through Saturday. No work will be done on Sunday. The harvest and log landing areas will be posted and Park users are asked to avoid these areas for their safety. The rest of the Park and all four trails will continue to be open to the public. Please use the current designated parking area on Burma Road for your vehicles and be alert for occasional logging trucks which will use Burma Road to exit onto Moose Meadow Road.

The Willington Conservation Commission meets monthly on the third Wednesday of each month at 7 pm at the Town Office Building, 40 Old Farms Road. The public is welcome. Residents interested in serving on the commission are encouraged to attend (several alternate positions are open). For more information about the Town's open space preserves, trails or other conservation issues, please contact Chairman Peter Andersen at 860-429-1276 or Vice Chairman Kathy Demers at 860-377-6416.

## Avoiding Charities Fraud

The season of giving is upon us but please be wary when opening your wallet to charitable organizations. The Department of Consumer Protection urges everyone to be cautious and get information on your charity of choice before giving.

### CHARITY CHECKLIST

**Take the following precautions to make sure your donation benefits the people and organizations you want to help:**

- Ask for detailed information about the charity, including name, address, and telephone number.
- Get the exact name of the organization and do some research. Searching the name of the organization online - especially with the word "complaint(s)" or "scam" - is one way to learn about its reputation.
- Call the charity. Find out if the organization is aware of the solicitation and has authorized the use of its name. The organization's development staff should be able to help you.
- Find out if the charity or fundraiser must be registered in your state by contacting the National Association of State Charity Officials.
- Check if the charity is trustworthy by contacting the Better Business Bureau's (BBB) Wise Giving Alliance, Charity Navigator, Charity Watch, or GuideStar.

- Ask if the caller is a paid fundraiser. If so, ask:
  - The name of the charity the caller represents
  - The percentage of your donation that will go to the charity
  - How much will go to the actual cause to which you're donating
  - How much will go to the fundraiser
- Keep a record of your donations.
- Make an annual donation plan. That way, you can decide which causes to support and which reputable charities should receive your donations.
- Visit this Internal Revenue Service (IRS) webpage (<https://apps.irs.gov/app/eos/>) to find out which organizations are eligible to receive tax deductible contributions.
- Know the difference between "tax exempt" and "tax deductible." Tax exempt means the organization doesn't have to pay taxes. Tax deductible means you can deduct your contribution on your federal income tax return.
- Never send cash donations. For security and tax purposes, it's best to pay by check - made payable to the charity - or by credit card.
- Never wire money to someone claiming to be a charity. Scammers often request donations to be wired because wiring

money is like sending cash. Once you send it, you can't get it back.

- Do not provide your credit or check card number, bank account number or any personal information until you've thoroughly researched the charity.
- Be wary of charities that spring up too suddenly in response to current events and natural disasters. Even if they are legitimate, they probably don't have the infrastructure to get the donations to the affected area or people.
- If a donation request comes from a group claiming to help your local community (for example, local police or firefighters), ask the local agency if they have heard of the group and are getting financial support.

What about texting?

If you text to donate, the charge will show up on your mobile phone bill. If you've asked your mobile phone provider to block premium text messages - texts that cost extra - then you won't be able to donate this way.

Please report suspicious solicitations to your local police and to the Department of Consumer Protection at 1-800-842-2649.

## NOVEMBER

Saturday, November 5, at 10:00 am

(during our Children's Story & Craft time),

Author June Hyjek will be here with her new children's book called *Being Grace*.

*Being Grace* intends to raise awareness of Scoliosis and shows us the emotional consequences of the condition through the story of Grace, a young giraffe who is diagnosed at an early age.

With her curved neck, Grace finds herself bullied at school because she looks different from the other giraffes. But her crooked neck allows her to do something none of the other giraffes can do, and she begins to understand that something that may seem wrong can actually be right. Grace learns that all that matters is what she believes, not what other people say. She finds joy in just being herself, and accepts that all she can do is be "Grace." Take a journey to self-acceptance with Grace, as she realizes that perfect comes in all shapes, sizes and colors, even crooked.

## TIME TO BEAD AND CREATE GIFTS FOR GIVING!

It's that time of year when we are thinking about, and looking to find, that special something to give that special someone. And here to teach us how to create such a gift will be Midge Makuch from Dragonfly Beading Studio, here in Willington. Join us on Tuesday, November 29 from 5:00 to (approximately) 7:00 - 7:30 pm. For only \$5.00 per item, you can make out of beads, a beautiful holiday snowflake ornament, a memory bracelet, or a set of angel earrings. Cost includes all materials and lessons. If you would like to see a sample of these items, come into the library for a peek at just one of the many possibilities. It's all up to your own imagination, as to what you can create and call your own, one of a kind gift to give or keep for yourself.

## DECEMBER

There will be no Holiday Open House celebrated at the library this year due to our special anniversary party AND due to the way our holidays fall on Saturdays this year. But please stop in and visit us at our Craft Fair & Bake Sale, as well as on our 10th Anniversary celebration party. May all your holidays be happy and safe!

## FRIENDS OF WPL'S 5TH ANNUAL CRAFT FAIR & BAKE SALE

Saturday, December 3, from 9:00 am - 2:00 pm. Be sure to stop by and check out the wide variety of crafts created by our vendors. It's a perfect time to start (or finish) some holiday shopping! There may still be openings, as of this late date, if anyone is interested in being a vendor. Please check with the library to see if space is still available.
