## Mayor's Corner

Dear New London Residents and Visitors,  
As we enter the fall season, New Londoners always look forward to one of nature's most notable events - New England's magnificent foliage season. October and November are the perfect months to take a walk through the Connecticut College Arboretum or Riverside Park to enjoy the vibrant colors at the peak of the season.

There are many other outdoor activities to be enjoyed in New London in the fall - local football games, the October Food Stroll, the Harvest Festival at the Old Town Mill, and - if you dare to be scared—New London's "Halloween Town" in downtown New London.

Speaking of the Harvest Festival at Old Town Mill, did you know that the mill was originally built in 1650? It was rebuilt right after being burned down by Benedict Arnold during the Revolutionary War. It is on the National Register of Historic Places, under the name "Winthrop Mill." The mill is located almost directly under the Gold Star Memorial Bridge near the Thames River. Check it out. It's worth a visit!

Another interesting place to visit during the fall season is Ye Antientist Burial Ground, off of Huntington Street. Established in 1645, it is one of the earliest graveyards in New England. Of all of Connecticut's burying grounds, Ye Antientist Burial Ground is said to contain the greatest variety of carvings.

In early December, as fall passes into winter, take the opportunity to celebrate the holidays with family and friends at New London's annual Celebration of Lights and Song. There is always a warm sense of community as people enjoy the musical performances and caroling. The event takes place on the lower Parade Plaza near the Water Street Parking Garage.

**Mayor Michael Passero**

These are just a few of the activities you can take advantage of this fall, so don't let the shorter days keep you in the house! In this issue of New London Events, you will find listings of events that will occur in October, November, and December. Look through them carefully to plan for the months ahead. And be sure to tour all the historical sites, arts galleries, museums, musical venues and restaurants in our great city. We have much to offer all year round!

Warm regards,  
Mayor Michael Passero

**BANK STREET**

Running immediately along the Thames River is the area known as "The Bank", referring to the bank of the river.

Once dominated by fishing wharves and tall ships, Bank Street is one of New London's oldest sections. After the burning of New London by the British under the command of Benedict Arnold in 1781, the waterfront was rebuilt and the roadway raised to accommodate additional development and larger ships. The bank is now home to a number of restaurants, cafes and boutiques, and is dotted with 18th-century structures.

## EARLY CHILDHOOD PROGRAMS

### EARLY CHILDHOOD FAMILY CENTER

FREE playgroups are available for children 8 months to 4 years old with a parent or other caregiver. The Family Center offers a variety of playgroup themes throughout the week including dance, music, art, science, gross motor and discovery. Guest entertainers, field trips, and parent workshops are scheduled. The program supports the children's developmental milestones and assisting towards preschool placements. Parent resources and individual appointments are available for assistance in finding childcare and meeting family educational, health, and social service needs, including food, diapers, and clothing. Programs are in collaboration with Child and Family Agency Family Resource Centers. Go to [www.newlondonyouthaffairs.org](http://www.newlondonyouthaffairs.org) for a schedule of programs. Call 860-447-0459 or email [tsalcedo@ci.new-london.ct.us](mailto:tsalcedo@ci.new-london.ct.us) for more information. A staff member will review and have parents fill out registration packet and program information at the first session families attend. Supported by Bodenwein Foundation, Community Development Block Grant, Community Foundation

of Eastern CT, Department of Education, Electric Boat Employees' Community Services Association, Letz Environmental Fund, Liberty Bank Foundation, and Veoila.

## Recreation Registration Information

Registration is required for all programs. If the class does not reach its minimum enrollment, it will be cancelled. The Recreation Department reserves the right to cancel any program. Participants will be notified of all cancellations. Full payment of fees on all activities and classes must be made at the time of registration. Checks are payable to the "CITY OF NEW LONDON." Cash, check, money order, MasterCard, or Visa accepted. No payment may be made over the phone. Recreation Division programs only may register online at [www.newlondonrec.com](http://www.newlondonrec.com) or stop in our office at 120 Broad Street in the Martin Center building 8:30 am-4:00 pm, Mon.-Fri. Call 860-447-5230 with any questions.

### Refund/Cancellation policy

If the Recreation Department cancels a program/class, then a full refund will be given. Should an individual decide to drop out of a course he/she has already paid for, a refund request must be made prior to the first class session and will be assessed a \$10.00 processing fee. If a session is cancelled due to weather or other problems, an effort will be made to schedule a make-up session. If a make-up session can not be scheduled, no partial refund will be made. Whenever school is cancelled or closes early, programs taking place at a school location will be cancelled.

# Community Development Division

The Community Development Division administers a variety of programs that are designed to improve the lives of New London residents. This is accomplished through housing rehabilitation efforts, social service programs and economic development initiatives.

## COMMUNITY DEVELOPMENT BLOCK GRANT

The purpose of the Community Development Block Grant (CDBG) is to improve communities by providing adequate housing, a suitable living environment and expanding economic opportunities.

## HOUSING REHABILITATION PROGRAM

The Housing Conservation Program (HCP) (funded by CDBG) provides deferred (forgiven) and/or low-interest loans to low-to-moderate income owner occupants to address health and safety code violations thereby improving the housing stock of New London. Property owners qualify based on unit income and other factors. Contact the Loan Specialist at 860-447-5243.

## HISTORIC PRESERVATION

Historic preservation is a part of the environmental review process and therefore this division provides staff support to the Historic District Commission & Design Review Board (HDC & DRB).

## FAIR HOUSING

New London's Fair Housing Plan was approved in 2007 and includes eight goals that work to protect renters or buyers from landlord or seller discrimination.

## BOARDS AND COMMISSIONS

The City of New London has a long history of service to the community by active and diverse residents, who make up the membership of various city boards, agencies, commissions, committees, and authorities that go under the generic term "board" or "agency." Appointments of residents are made either by the mayor or the city council. Some appointments made by the mayor require council approval. The City of New London

encourages its residents to participate and, if interested, an application for consideration can be found at the City Clerk's Office, 181 State St., New London or online at the city web site: [www.ci.new-london.ct.us](http://www.ci.new-london.ct.us). A list of vacancies for full members and alternates currently exists and can be found on the city web site.

## OLD TOWN MILL, 8 MILL STREET

Built in 1650 the Old Town Mill is on the National Historic Register. The beautiful grounds are always open to the public and the mill is open to tour every other weekend in July & August or by appointment. The Mill hosts an Annual Harvest Festival the last Saturday in October.

## 8th ANNUAL HARVEST FESTIVAL

October 29, 2016 from 11:00 am – 3:00 pm.

Join us for a wonderful day of FREE Family Fun. There will be horse drawn wagon rides, activities for children, musical entertainment, kettle corn, apple cider, doughnuts, craft vendors, scavenger hunt and much more.

The 8th annual Apple Pie Baking Contest will take place at noon.

Register your homemade apple pie at the festival no later than 11:30 am.

For more information on Community Development visit [www.ci.new-london.ct.us](http://www.ci.new-london.ct.us) and follow the links to City Government>Office of Development & Planning>Community Development Division.

# Fire Department

We all think that if a fire occurs in our home we will have plenty of time to escape. In reality fire is fast! In minutes a small fire can grow completely out of control and turn into a major fire. It only takes minutes for thick black smoke to fill a house. Smoke quickly travels away from where the fire began and can overwhelm you long before you can see any flames.

Your initial response may be to run through the smoke and flames to escape the fire. By doing this you will run the risk of becoming overwhelmed by the smoke. As difficult as it may be, the most important thing that you can do is remain calm. Below are some guidelines that will help you make proper decisions as you try to escape from the fire.

- Know your escape route! You should have two ways out of your home or apartment. As simple as this sounds, have a meeting place outside the building that each family member knows about. Many times in the chaos of a fire family members exit different ways and gather in different locations making it difficult for the firefighters to determine if there are

people still in the building. Once outside please stay outside. If you think someone may still be inside the home or apartment tell the firefighters where you think they are.

- Should you encounter smoke in your escape, use an alternate route. If you must exit through the smoke, crawl on your hands and knees.

- Before you open a door feel it to see if it is hot. If it is, don't open it. If you are located above the first floor go to a window and wait for the firefighters to arrive. As the firefighters arrive get their attention by yelling/waving something out the window. For more valuable fire safety information please

go to the United States Fire Administration at [www.usfa.fema.gov](http://www.usfa.fema.gov). The American Red Cross will, at no cost, install smoke alarms within your home. If you need one please contact them at [www.redcross.org/ct/schedule-a-visit](http://www.redcross.org/ct/schedule-a-visit) or call them at 1-877-287-3327 (choose option number 1).

## Police Department

### NATIONAL TAKE BACK INITIATIVE

On Saturday, October 22, 2016, the Drug Enforcement Administration (DEA) will coordinate a nationwide, one-day collaborative effort with state and local law enforcement agencies to remove potentially dangerous controlled substances from our nation's homes. This national initiative will provide an opportunity for the public to surrender pharmaceutical controlled substances and other medications to law enforcement officers for destruction. Expired, unused or unwanted controlled substances in our homes are a potential source of supply for the increasing abuse of pharmaceutical drugs in the United States and an unacceptable risk to public health and safety. The New London Police Department will be participating in this initiative. Please come to NLPD between the hours of 10:00 am and 2:00 pm on October 22, 2016 to drop off your pharmaceuticals.

### WINTER PARKING

Winter parking regulations go into effect on November 1, 2016. Please be sure to check the City's Website for details on storm related parking restrictions.

Also, please be mindful that it is the responsibility of all businesses and residents for the snow clearing and safe preparation of your sidewalks. Removal of snow from private property to city streets is a violation of city ordinance.

### TEXT AN ANONYMOUS TIP

Remember the phrase "See something, Say something"? If you would like to anonymously report any suspicious activity to the New London Police Department just text NLPDTip plus your information to Tip411 (847411) or by clicking "submit-a-tip" on the New London Police Departments' Facebook page.

### SALES REPRESENTATIVE

Due to expanded growth we are seeking a full time sales representative to sell advertising in our Events Town Magazines.

We seek someone experienced that understands the consultative sales process.

Responsibilities include maintaining ongoing relationships with existing clients including daily contact over the phone and in person, meeting and exceeding sales goals, identifying and capturing new business through cold calling.

Apply if you are an overachiever.  
Send resume to [print@essexprinting.com](mailto:print@essexprinting.com).

# Community Development Division

The goal of the Department of Public Utilities (DPU) is to provide high quality drinking water with minimal service interruptions. The DPU also ensures the wastewater treatment facility yields a high quality effluent that is low impact to the environment.

DPU is responsible for operations, administrative and engineering work for water and sewer for the City of New London. The Director oversees the performance of all contracted public utilities activities and the day-to-day operation of the water and sewer system. The Director reviews development plans concerning public utility impacts, and works with neighboring municipalities and state and federal agencies regarding water/sewer issues.

Veolia Water NA is the contractor responsible to manage the City's water and wastewater systems. Its operations are financed from direct charges to the users of the service. No portions of the appropriations are supported by property tax, nor are other revenue sources of the City diverted to the system to support operations.

Veolia Water and the City of New London, Water & Water Pollution Control Authority have established a true partnership and strive to provide the best customer service for our users. Water and wastewater customers are about to benefit from a

program designed to enhance customer service and improve access to utility data and online bill payment. Chairman Barry Weiner, Water & Water Pollution Control Authority states that "with this new online portal, residents will be better able to budget for utility expenses, pay their bills, report issues and manage their consumption, greatly improving the customer experience – which remains one of our top priorities."

Veolia Water will roll out the new utility billing and customer portal in phases over the next year, allowing customers to view consumption history and pay their bills easily through auto bill pay and one-time online payments. Veolia Water will include more information about the new billing system with future water bills.

The DPU and Veolia Water are located in the Richard R. Martin Center, 120 Broad Street, New London, CT. Hours of operation are Monday through Friday from 8:30 am – 4:00 pm. For New London residents, if you have a water or sewer question or emergency, please contact Veolia Water at (860) 447-5222. For Waterford residents with a water question or emergency please contact Veolia Water at (860) 447-5222. However, for a sewer question or emergency, please contact the Town of Waterford at (860) 444-5886.

## Preparing for a Hurricane

Hurricane readiness should begin long before the event occurs. You can prepare far in advance for the possible dangers to health and safety resulting from a hurricane by learning about your community's emergency plans, warning signals, evacuation routes, and locations of emergency shelters.

- Identify potential home hazards that could develop during a hurricane, such as those involving gas, electricity, chemicals, and structural damage.
- Install a smoke detector.
- Have a fire extinguisher and make sure your family knows where to find it and how to use it.
- Conduct an evacuation drill for at least two ways out of your home.
- Provide escape ladders for multi-story structures.
- Post emergency phone numbers at every phone; inform local authorities about any special needs, i.e., elderly or bedridden people, or anyone with a disability.

- Fill several clean containers for water, large enough for a 3-5 day supply of water (about five gallons for each person).
- Have a battery-powered radio, flashlights, extra batteries, candles and matches.

### During the Storm

- Monitor the radio or television for weather conditions, if possible.
- Stay indoors until the authorities declare the storm is over.
- Stay away from all windows and exterior doors, seeking shelter in a bathroom or basement. Bathtubs can provide some shelter if you cover yourself with plywood or other materials.
- If you should lose electrical power, eat perishable food first.

# Eastern Connecticut Ballet's *The Nutcracker*

**Saturday, December 10 | 1:30 pm & 7 pm**

**Sunday December 11 | 1:30 pm**

Share the magic and pageantry of the world's most beloved ballet with friends and family of all ages. New York City Ballet sensation, Sara Mearns, "the great American ballerina of our time," returns to the Garde Arts Center in New London for another

brehtaking performance with Eastern Connecticut Ballet. New London's own "Nutcracker" is both a holiday tradition and a tour de force. Sharing the spotlight are guest artists from NYCB and Pennsylvania Ballet and more than 100 professionally trained dancers from ECB. Thirty-five musicians from Eastern Connecticut Symphony Orchestra, conducted by Maestro Paul Polivnick, perform Tchaikovsky's masterpiece. Join Clara on her spectacular journey around the world. Applaud her brave-hearted Nutcracker, The Snow King and Snow Queen, sailors and toy soldiers, the comical Mother Ginger, waltzing flowers, dancing snowflakes, and of course, the exquisite Sugar Plum Fairy. Sail away on an enchanted ship from a seaport very much like

New London in the 1850s and watch a battle on the high seas and a snowstorm in the Arctic. Live music and classic ballet in the tradition of Balanchine make this "Nutcracker" simply unforgettable. Tickets are available at The Garde Box Office. Call 860-444-7373 x1 or visiting gardearts.org.
