POLITO & QUINN

TRIAL LAWYERS

Serving Connecticut and Rhode Island

Connecticut **"Super Lawyers®"** for 8 consecutive years

We are proud of what our clients say about us:

My experience with Polito & Quinn was very positive – especially under some difficult circumstances regarding our son's personal injury case. I would not hesitate to recommend their services to friends and family.

– Paige D. –

I want to thank Polito & Quinn and staff for the amazing work. Thank you for being so understanding and caring. I am very happy with your service.

– Erika S. –

If you need a personal injury lawyer they are the ones to call. If I had a question about anything they would give me the truth and if they didn't have the answer they would get it within days. Everyone in this office cares about the injured as well as family. They were very knowledgeable about all aspects of the wellbeing of my family and they actually made my family feel like a part of theirs.

First Selectman's Corner

As I sit in my office, it is early February with snow cover dominating my view out the office window, this is my first moment truly thinking of spring. After this winter, it feels good!

Springtime in East Lyme is a truly wonderful time! Buds and blooms begin to populate our parks and beaches putting an exclamation mark of beauty on our already beautiful places. The warmer spring air invites us all out to enjoy brisk walks, runs or leisurely strolls through our fan favorite town of Niantic; shops and restaurant doors swing open letting the winter mustiness out and the fresh air of spring in, energizing both product and staff alike. Farms and trails in Flanders are alive as wildlife begins to move out into the sunlight. Enjoy great hikes at Darrows Pond or in the great trails of Oswegatchie Hills groomed and maintained by our dedicated volunteers.

The purr and putting of boat engines can be heard in the river and the bay as covers come off, fishing gear is cleaned and updated, or the sun simply draws our many boating enthusiasts out for a great ride on the water. Our new swing bridge is fully operational; Cini Park upgrade is complete with plenty of parking for the party

boats which are ready for business. (Watch for new transient moorings and dingy docks near Cini Park).

One half of the boardwalk is complete and available for enjoyment along our beautiful new beach. The big news is after years of design, our permits are in place, bid documents will be in and construction should be under way on the western half of the Boardwalk, adjacent to the Hole in the Wall beach. We are hoping for substantial completion by late fall or winter, but when done, we will have a 1.1 mile concrete walkway with 75-100 year storm protection for all to enjoy.

So bring your family and friends to East Lyme and jumpstart your spring with the many wonderful things to do, to eat, to shop and to stroll.

A big thanks to our Parks and Recreation and town crews for keeping our town ticking! I look forward to seeing you.

Paul M. Formica, First Selectman

Director's Note

As spring approaches I wanted to report on a couple of renovation projects taking place this spring; construction on the western half of the Niantic Bay Boardwalk is scheduled to start in early March with a proposed finish date of early December. As part of the construction, a portion of the upper parking lot at McCook will be closed and access to the Hole in the Wall Beach at times will be restricted. Please look for construction updates and further information on the town's web site www.eltownhall.com or on the East Lyme Parks and Recreation Facebook page.

We are also in the design phase for a new restroom facility at Veterans Memorial Park. The new bathrooms will be handicap accessible and provide services for park users as well as hikers using the Oswegatchie Hills Nature Preserve.

The Parks and Recreation Commission have also approved a \$5.00 increase in all McCook Point Park sticker fees. The increase is necessary to help offset the cost of operations at the park and the recent increase in the minimum wage. It has been a number of years since the commission increased their fees: Resident fees last increased in 2006 and this is the first increase in the senior

rate since 2002. Revenues from sticker fees help offset the cost of Gate Attendants, Lifeguards, Park Supervisors, Boardwalk Attendants, Beach Grooming, upkeep and supplies of our restroom facilities, rental of porta potties at Cini Park, daily garbage removal and general upkeep of our facilities.

I would also like to welcome and congratulate Michael McDowell who as of January 1st became the Program Director for the East Lyme Youth Services Bureau as well as handling Special Events. Mike is a great addition to our service team.

As always I would like to thank all of our advertisers who make this magazine possible and their support of our department. I hope that you take the time to read our magazine and partake in the many program offerings that enrich you, your family and the community.

Remember to feel great - "RECREATE".

*Sincerely,
David M. Putnam, Director*

MAGAZINE COVER PHOTO: COMMUNITY RECOGNITION

Thank you to the many members of the Triumph Actuation Systems Inc. "Wings" team who helped with the community build of the new playscape at McCook Point Park. It took three days to build, and the teamwork shown during the project was immense. The children in our community are sure to enjoy this structure for many years, in large part due to the Triumph teams hard work and dedication to our community! *Triumph Actuation Systems Inc. is located on Industrial Park Road in Niantic.

A day for students in these grades to utilize the youth center to hang out with friends, play organized games, and get accustomed to what the center offers during their middle school years. We invite students who have never been to the center, or who are familiar with it through various groups who have made it their meeting place.

Student Advisory Board

The Student Advisory Board is a group of high school students who are interested in bettering the community by volunteering at town events, as well as planning and hosting events for advocates of youth in the community. Below is a list of a few of the activities they have planned for this Spring.

BIKES FOR KIDS

BRING YOUR OLD BICYCLES TO US. We are collecting bikes in any condition to bring to the Bikes For Kids organization in Centerbrook. Donated bikes are fixed up, and donated to families/organizations who otherwise cannot afford them. Drop-off location will be at the Youth Center on May 10th from 9:00 - noon (arrangements may be made for different time, please contact Youth Services staff to arrange) Adult bikes may be donated as well as they occasionally receive requests for them.

PARENT EDUCATIONAL NIGHT

An evening presentation for parents of youth in our community to become familiar with the different social media outlets teens are using currently as well as the dangers they impose. The students will provide the audience with an in depth look at the different options of social media, followed by a presentation on the dangers associated with each. The date and location are TBD; if interested please contact Mike McDowell for additional information.

PRE-PROM ASSEMBLY AT ELHS

The Student Advisory Board is proud to partner with the administration at East Lyme High School to present a Mothers Against Drunk Driving assembly to all members of the Junior and Senior classes. The assembly will cover the dangers of drunk driving as well as distracted driving, in hopes it will prevent a potential prom night disaster.

What is Loss?

Have you had losses? Haven't we all? We think about loss as the death of someone close. Society has rituals to help us get through this. Friends and family draw closer and funerals or memorial services help consolidate our mixed emotions at celebrating a life. But what happens after everyone goes home? And what about other losses? We have no rituals to help us with the losses of divorce or separation, saying goodbye to a child going off to college, or watching our neighbor's moving van drive away. We mourn the loss of our pets, our mobility, a job. When we experience loss, it's important to reach out for support, to maintain regular schedules, and allow ourselves to grieve. When we remain stoic and deal with feelings ourselves, we become more isolated and the loss is compounded. This is a time to rely on friends and family for comfort, conversation, and connection. Sometimes a loss, even a seemingly minor one, brings up painful reminders of others in the past. A therapist can help to explore these feelings and find a path forward, not erasing our losses, but accepting them and refocusing on our dreams and fortunes.

The Parks & Recreation Department makes every effort to have programs and facilities that are appropriate and accessible for all ages and abilities and seeks to ensure that all programs and activities are available to East Lyme residents with physical and mental disabilities. We provide accommodations when necessary to allow your participation. Please check with our office for programs being offered within the region.

Town Clerk's Office

The Town Clerk's Office is reminding dog owners that they must register their dogs by June 30.

All dogs 6 months of age or older must be licensed. Fees for neutered or spayed dogs are \$8.00 and for dogs that are not neutered or not spayed, the fee is \$19.

A certificate of neutering or spaying from a licensed vet must be presented when licensing a dog for the first time.

An up-to-date certificate of rabies vaccination must be presented before a dog can be licensed. The rabies tag is not acceptable.

To license by mail, send all required information (which will be returned) along with a check made payable to Town of East Lyme and mail to East Lyme Town Clerk, PO Box 519, Niantic, CT 06357. We do require a self-addressed stamped envelope. Postage on the return envelope is 68 cents for the return of the license.

A penalty of \$1 per month will be assessed for payments received after July 1. For information, call the Town Clerk's Office at 860-739-6931, x 120.

7th Annual Touch-A-Truck Event

On Saturday, May 17 (rain date Sunday), the East Lyme Auxiliary of Child and Family Agency of Southeastern Connecticut and the East Lyme Parks and Recreation Department will co-sponsor our seventh annual Touch-A-Truck event.

This is a family event that will take place from 9:00 a.m. to 2:00 p.m. at McCook Point Park in Niantic, CT. There will be a \$4.00 per person donation (ages 3 and up) to benefit the Child and Family Agency of Southeastern Connecticut.

Children can climb various vehicles, sit in the driver's seat and discover the world of trucks. This unique event will feature large trucks and heavy equipment from law enforcement, fire departments, commercial companies, industrial companies and rental companies. In addition there will be face painting and craft activities for the children as well as a free photo-op. Refreshments will be available for sale. For more information call Child & Family Agency at 860-443-2896, Ext. 1403.

Jeffrey's Rainbow Run

Academic Scholarship Opportunity 2014

The East Lyme Youth Services Bureau in cooperation with the Bourgeois family will be awarding two scholarships in the amount of \$750.00 to two graduating High School Seniors who reside in East Lyme or Salem and will be continuing their education in a field related to animal studies or working with children.

Applicants must submit their high school transcripts as well as a one page essay on how this scholarship will benefit them. Essays and transcripts must be submitted to the East Lyme

Youth Services Bureau, 45 Society Road, Niantic, CT 06357 no later than Friday, April 18th. Scholarship recipients will be announced at the East Lyme Youth Services Commission's regular meeting scheduled for Thursday, May 15.

Monies for this scholarship are in honor of Jeffrey Bourgeois and funded by proceeds from the annual Jeffrey's 5K Rainbow Run held in September each year. For more information on the scholarship and the annual fun run please contact the Youth Services Bureau at 860-739-6788 or e-mail David Putnam at Dputnam@eltownhall.com.

Boardwalk Benches Available

The East Lyme Public Trust Foundation Inc., in cooperation with the East Lyme Parks and Recreation Department, has announced the solicitation of 50 additional park benches. These benches will be added to the western half of Niantic Bay Overlook (the Boardwalk) once reconstruction has been completed. Plans for the new Boardwalk have been approved by the Zoning Commission with construction currently slated for March through December. There is a limit of fifty benches available at this time. They will be assigned to the first fifty completed and approved applications. These

commemorative benches have proven to be a popular addition to the East Lyme landscape and are a wonderful way to support the Town Park and to honor someone special.

The bench is available for a tax-deductible contribution of \$800.00. Each bench will include an engraved plaque with the donor's message. Order forms are available on the East Lyme Public Trust Foundation web site, www.publictrustfoundation.org, or by contacting Carol Marelli, 860-739-2688 or camarelli@sbcglobal.net.

Public Works Single Stream Recycling

In single stream recycling, recyclables are separated at the processing plant, not at your home. This means that all recycling can be placed in a single container separate from the trash container and can be compacted resulting in reduced transportation costs.

No other containers are used for recycling. A gray recycling can is the only one that will be picked up. Recycling collection has been moved to a cycle of every other week. To view the single stream recycling calendar visit our web site at www.eltownhall.com/publicworks.

Single stream accepts all plastics with the exception of plastic bags and Styrofoam. As with your trash can the recycling can must have a four-foot separation from other objects including your trash can.

East Lyme Public Safety

East Lyme Public Safety wants to share some very important spring safety tips from the U.S. Consumer Product Safety Commission (CPSC). The CPSC recommends that consumers take the following precautions to prevent injuries from lawn and garden equipment:

- Dress appropriately for the task. Wear long pants, long-sleeved shirts (to avoid injuries from thrown objects like rocks or sticks), close-fitting clothes and no jewelry (to avoid getting anything caught in moving parts), sturdy shoes with slip-resistant rubber soles, eye protection, heavy gloves (protects hands when changing, sharpening, or cleaning blades), and hearing protection such as ear plugs when using motor-driven equipment.
- Before starting up machinery, remove objects from the area in which you are working that can cause injury or damage equipment, such as sticks, glass, metal, wire, and stones.
- Make sure that safety devices on the equipment are in place and functioning properly before starting work.
- Never let a child ride or operate a garden tractor or riding mower, even if the child is supervised. Teenagers should only be allowed to operate outdoor power equipment if they possess adequate strength and maturity to do so safely. They also should be supervised by a responsible adult.
- Keep children indoors and supervised at all times when any outdoor power equipment is being used. Young children move quickly and are attracted to mowers and

mowing activity, especially if they have been given rides on mowers before.

- Never assume children will remain where you last saw them. Be alert and turn off the mower if children enter the mowing area. Use extra care when backing up or when approaching corners, shrubs, and trees.
- Unplug electric tools and disconnect spark plug wires on gasoline-powered tools before making adjustments or clearing jams near moving parts.
- Be sure power tools are turned off and made inoperable if they must be left unattended to prevent use by children.
- Handle gas carefully. Never fill gasoline tanks while machinery is on or when equipment is still hot. Wipe up spills. Store gas in an approved container away from the house. Finally, never smoke or use any type of flame around gasoline or any gasoline-powered equipment.
- Never work with electric power tools in wet or damp conditions. For protection against electrocution, use a ground fault circuit interrupter (GFCI). GFCIs come in several models, including a portable plug-in type.
- Be sure that extension cords are in good condition, are rated for outdoor use, and are the proper gauge for the electrical current capacity of the tool.

Essex Savings Bank Rated Five Stars

Eighteen Consecutive Years - Essex Savings Bank has once again earned the highest 5-Star rating for strength and stability from BauerFinancial, Inc. of Coral Gables, Florida, the nation's leading independent bank rating and research firm. BauerFinancial has been reporting on and analyzing the performance of U.S. banks since 1983.

No institution can pay BauerFinancial to rate it, nor can an institution choose to be excluded. Essex Savings Bank has proven its commitment to superiority by earning this top rating for 71 consecutive quarters.

Fewer than 10% of the nation's banks can claim this distinction. In order to do so, the Bank has excelled in areas of capital adequacy, delinquent loan levels and profitability to name just a few. Consistently earning Bauer-Financial's highest rating assures customers and the community that Essex Savings Bank is a strong financial institution that will be able to fulfill their banking needs for years to come.

Essex Savings Bank is a FDIC insured, state chartered, mutual savings bank established in 1851. The Bank serves the Connecticut River Valley and shoreline with six offices in Essex (2), Chester, Madison, Old Lyme and Old Saybrook.
